### Horse Powered Leadership announces partnership with Kentucky Humane Society Equine C. A.R.E. to bring equine assisted corporate trainings to Kentucky.

**Simpsonville, KY** - Horse Powered Leadership, LLC and Kentucky Humane Society today announced a partnership to bring cutting edge equine assisted learning in leadership and team building to corporations in and around Kentucky.

With the new partnership, Kentucky Humane Society Equine C.A.R.E. at Willow Hope Farm will provide the facility and horses to Horse Powered Leadership for intimate corporate trainings. This partnership fulfills the vision of expanding the awareness of how horses teach us along with the many horses that are in need of care.

“Partnering with KHS is a dream come true. Now not only do we get to help lift the spirit of corporate culture around Kentucky by introducing our clients to a new way of engaging with a horse to learn but also a portion of the proceeds goes to taking care of the horses and many other animals KHS takes in to help. It’s a win-win.”
